ILLUSTRATIVE LIST OF REQUESTED LAW BOOKS

The Asia Foundation’s Books for Asia program is seeking law books from American law firms, legal libraries, and legal publishers. These books will be donated to the libraries of institutions involved in legal reform in 18 countries, from Afghanistan to Vietnam.

This list is for purposes of illustration only and is neither exhaustive nor limiting. In general, the most useful books are broad introductions and overviews of legal issues, especially for matters of domestic law. Highly technical books and books on specific domestic (U.S.) regulatory regimes or federal and state case law are not sought.
